

Dr. Edward N. Tihen (1924-1991) was an avid reader and researcher of Wichita newspapers. His notes from Wichita newspapers -- the "Tihen Notes," as we call them -- provide an excellent starting point for further research. They present brief synopses of newspaper articles, identify the newspaper -- Eagle, Beacon or Eagle-Beacon -- in which the stories first appeared, and give exact references to the pages on which the articles are found. Microfilmed copies of these newspapers are available at the Wichita State University Libraries, the Wichita Public Library, or by interlibrary loan from the Kansas State Historical Society.

8. Thirty-five years ago today two well known Wichita men moved to their homes in the woods in the Riverside District. They were George M. Dickson and J. D. Houston, who had just completed erection of two residences side by side. Mr. Dickson is still living at the house he moved into that day at 1207 Pierce (sic) Avenue. Mr. Houston moved from his house several years ago. This was the opening of Griffenstein's 13th Addition and it was all heavily timbered at the time.
