Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

The following general categories represent the materials found in John G. Schmitz's collection: correspondence, correspondence with constituents, proceedings of committee hearings and reports, speeches and addresses made before Congress and at local meetings, legislation, Republican party, presidential campaign correspondence and literature, and books, newspaper clippings, pamphlets, and memorabilia. A few files include information about his 1972 presidential campaign. Schmitz represented the 35th Congressional District of California, and this collection covers the years 1970-1973. The collection does not contain any personal files.
