### Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

---

### Restrictions

None

---

### Content Note

The Americanization Movement Collection is comprised of photocopies of correspondence and a transcript of the proceedings of a conference, attended by State Governors, of the National Bureau of Education and the National Committee of One Hundred. This conference was held in 1918 just prior to the United States' entry into World War I, and reflected the unease of America at the Communist Revolution in Russia and the Kaiser's overrunning much of Europe.
