Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

The following general aspects represent the Richard C. Loux Collection: letters to and from constituents, committee hearings and reports, speeches and addresses, bills written and sponsored by Mr. Loux, materials relative to legislative issues, general correspondence, political and election material related to the State of Kansas, and memorabilia.
