Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

This collection covers the career of native Wichitan, Russell E. McClure, beginning in 1927 and ending with his death in 1974. The papers in the collection are grouped under three main headings: Employment, International City Managers Association, and General. Under these headings are various official documents, speeches, reports, correspondence, and photographs which relate to McClure's managerial service in municipal government.
