<b>Processed By:</b>	LM, 6-1-1986; JEF, 8-18-1998; MN, 10-2008
<b>Note:</b>	None
<b>Restrictions:</b>	None

---

#### Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

---

#### Restrictions

None

---

#### Content Note

Written for American Studies classes at Wichita State University, these student research papers cover a diverse range of topics concerning the United States, and particularly Kansas. Among the numerous subjects are agriculture, art, aviation, county and town histories, conservation, early explorers of Kansas, economics, education, ethnic groups, folklore, forts, government, industry, journalism, landmarks, medicine, Native Americans, petroleum, politics, religion, trails, transportation, water resources, wildlife, and women.
