---

#### Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

---

#### Restrictions

None

---

#### Content Note

This collection of Ross Taylor's papers includes personal correspondence concerning a variety of subjects, stories written by friends, and brand applications. Correspondence related to Taylor's term as faculty member and department head of the Department of American Studies at Wichita State University also comprise part of this collection. The collection also includes some material on the trails of Kansas. The papers date from the mid-1940s to the late 1970s.
