Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

This collection of the papers of Henry Malone primarily contain information on the trails of Kansas. This is found in the form of maps, articles, unpublished papers, correspondence and references to the Kansas State Historical Collection and the Kansas Historical Quarterly. Material also included in these papers is the development of the Department of American Studies, research project papers and correspondence, information on WSU's Library Associates and the Cultural Heritage Center of Dodge City, Kansas.
