Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

The Rose Stokely Collection of German Money of 1915-1930 contains seven albums of paper currency that was printed during and after World War I. The money was practically worthless due to the economic depression in Germany following the war. For example, it would have taken a sack full of this money to buy a loaf of bread. The money was also printed locally in several different places throughout Germany and the money depicts local legends and the history of a given region. In this case, the artwork for the most part is worth more than the money itself.

Detailed Description: Box and Folder Listing

Box 1	Contains two albums of German money that was printed in 1915-1930 during and after World War I. The money was practically worthless due to
-------	--

the economic depression in Germany following the war. The money depicts scenes from German legend and history.

- Box 2 Contains one album of German money that was printed in 1915-1930 during and after World War I. The content is similar to Box 1.
- Box 3 Contains three albums of German money that was printed in 1915-1930 during and after World War I. The content is similar to the previous boxes.
- Box 4 Contains one album of German money that was printed in 1915-1930 during and after World War I. The content is similar to the previous boxes.
