Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

This collection contains one original copy and two photocopies of Walter Graves' typewritten manuscript on the early history of Fairmount College from 1892 to 1907. The author's insights provide much information on the development of the college and about the controversy plaguing its relationship with the Congregational Church and Washburn University in Topeka. Graves was a physician in Wichita, and he served on the Board of Trustees of Fairmount College for many years.
