Literary Rights

Literary rights were granted to Wichita State University. When permission is granted to examine the manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Restrictions

None

Content Note

The Bob Gottschalk Collection contains photographs, newspaper clippings, magazines and pamphlets which provide a sampling of Gottschalk's work while he was a staff photographer for the Wichita Eagle newspaper and a freelance photographer during the 1920s, 1930s and 1940s. Much of the work in this collection contain photographs of famous early aviation personalities and of the University of Wichita (now Wichita State University).
