Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Content Note

With images dating from 1868 to 1946, these postcards depict such sites as churches, schools, businesses, farms, ranches, government buildings, parks and hospitals in cities and towns across Kansas. The postcards in the collection provide information about early Kansas history.
