Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Content Note

This collection contains the minutes of the 1907 meeting of the Fédération Aéronautique Internationale. The meeting was held in Brussels, Belgium, and was one of the earliest attempts to gain international cooperation in developing aviation. Delegates from several European countries and the United States attended the meeting. The minutes are in French.

Administrative History

The Fédération Aéronautique Internationale was founded in 1905. It is a non-governmental and non-profit international organization which endeavors to further aeronautical and astronautical activities worldwide, to ratify world records and to coordinate the organization of international competitions. Over the years, 100 countries have joined the organization.
