### Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

### Content Note

The History of Aviation Video Collection contains 39 video recordings containing interviews with individuals designated by the Wichita Aeronautical Historical Association as "aviation pioneers." These people are from aircraft companies including Boeing, Beechcraft, and others. The videos are a valuable source of information on aviation research and the development of the aircraft industry in Wichita. Transcripts for many of the interviews are included.
