Processed by:	JLY, 6-2007; MN, 11-2012
Restrictions:	None

Literary Rights

Literary rights were not granted to Wichita State University. When permission is granted to examine manuscripts, it is not an authorization to publish them. Manuscripts cannot be used for publication without regard for common law literary rights, copyright laws and the laws of libel. It is the responsibility of the researcher and his/her publisher to obtain permission to publish. Scholars and students who eventually plan to have their work published are urged to make inquiry regarding overall restrictions on publication before initial research.

Content Note

The collection includes photocopies of final versions of the Gilbert-Mosley Site Remedial Investigation report, Wichita, Kansas, prepared by Camp Dresser & McKee Inc., November 17, 1993, and the Gilbert-Mosley Site Feasibility Study, Wichita, Kansas, prepared by Camp Dresser & McKee Inc., April 1994. Seven drawings of the area are included.
