Subject(s): Beacon on top of Beacon offices/building

Wichita Beacon
Wednesday, May 5, 1880
page 3. The Beacon sign, put up last week, over the entrance to this office, attracts attention and admiration. It is from the shop of Mr. C. R. Viney and was painted by Mr. William Atkinson, an artist in ornamental and decorative painting. He painted the lettering on the windows of the Wichita Bank. The sign in question is a lighthouse in the midst of an angry sea. The border is of blue and gold.
